

2.5in IDE to Dual Compact Flash SSD Adapter Card

StarTech ID: CF2X2IDE25

This 2.5in IDE to Dual Compact Flash SSD Adapter Card allows you to convert one or two Compact Flash (CF type I/II) cards or MicroDrives into a bootable IDE Solid State Drive - a simple and convenient way to replace a 2.5in IDE hard disk drive.

The IDE to Dual CF adapter card makes it easy to build your own do-it-yourself SSD (requires CF card or Micro Drive), allowing you to take advantage of the benefits that Solid State storage has to offer. With no moving parts, a SSD is the ideal addition to virtually any working environment, because it provides cooler and quieter storage than a conventional hard disk drive. Plus, Solid State drives are less susceptible to atmospheric hazards (e.g. dust particles, atmospheric changes etc.), ensuring seamless performance regardless of environmental factors.

A highly reliable storage solution, the IDE to Compact Flash SSD Adapter Card is backed by StarTech.com's Lifetime Warranty and free, lifetime technical support.

Applications and Solutions

- A suitable replacement for a 2.5" IDE hard drive.
- Desktops
- Notebooks

Features

- Connects directly into your 2.5" IDE port
- Convert your CF for use as a SSD (solid state drive)
- Memory card installed can boot like IDE hard drive without any device drivers
- One master and one slave slot
- Reading-performance, anti-shock ability and tolerance of the the temperature difference are better than traditional hard drives
- With no moving parts, provides a silent operation that is resilient to environmental factors while reducing overall power consumption
- Supports CF type I/II or Micro Drives
- A true IDE 2.5" interface - Fully compatible with IDE specs
- LED's to indicate activity
- No drivers required
- Easy to use and install

Technical Specifications

- Product Height: 0.28 in [7 mm]
- LED Indicators: 1 - Activity
- Product Length: 3.78 in [96 mm]
- Operating Temperature: 0 - 60
- Carton Quantity: 100
- Shipping (Package) Weight: 0.33 lb [0.15 kg]
- Product Weight: 0.92 oz [26 g]
- Product Width: 2.76 in [70 mm]
- Number of CF slots: single or dual slot
- Connectors:
- CF Connector: 50 pin Type I or II
- IDE Connector: 44 pin male header
- Note: Please note that this card doesn't support hot swapping
